

MY AMAZING ANIMAL COLORING BOOK

* 20 Fun Animals to Color! *

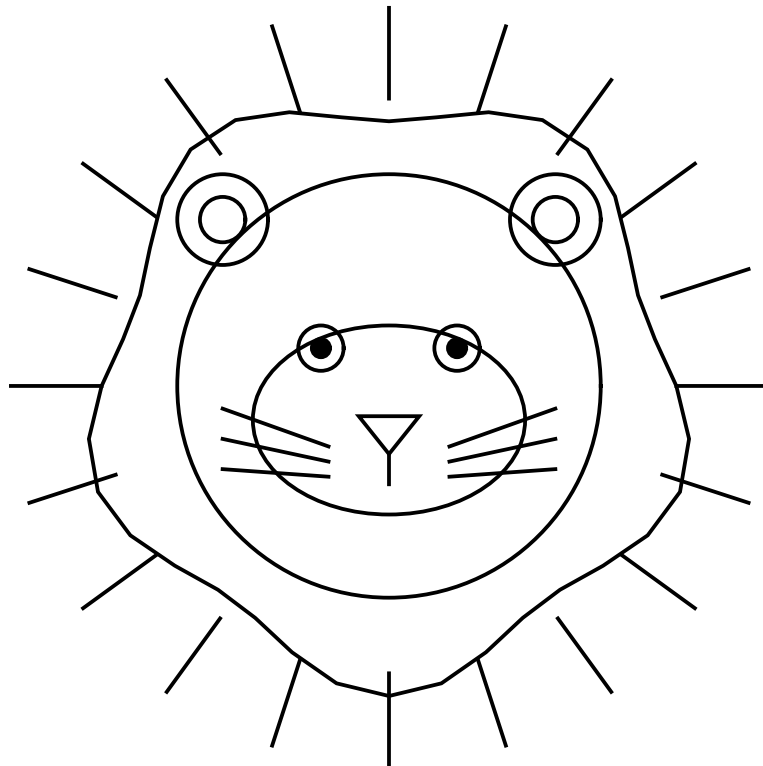

This book belongs to:

Grab your crayons and let's color!

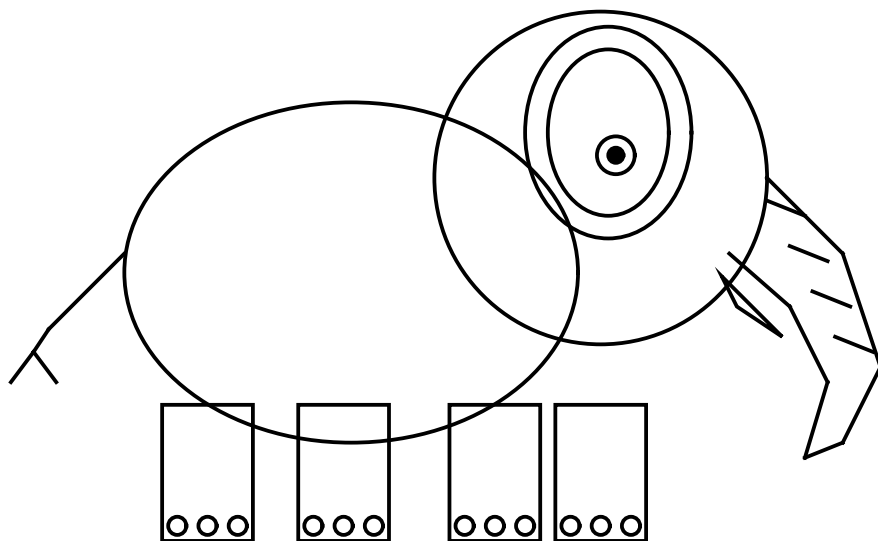

LION

Fun fact: Lions are called the King of the Jungle! Their roar can be heard 5 miles away.

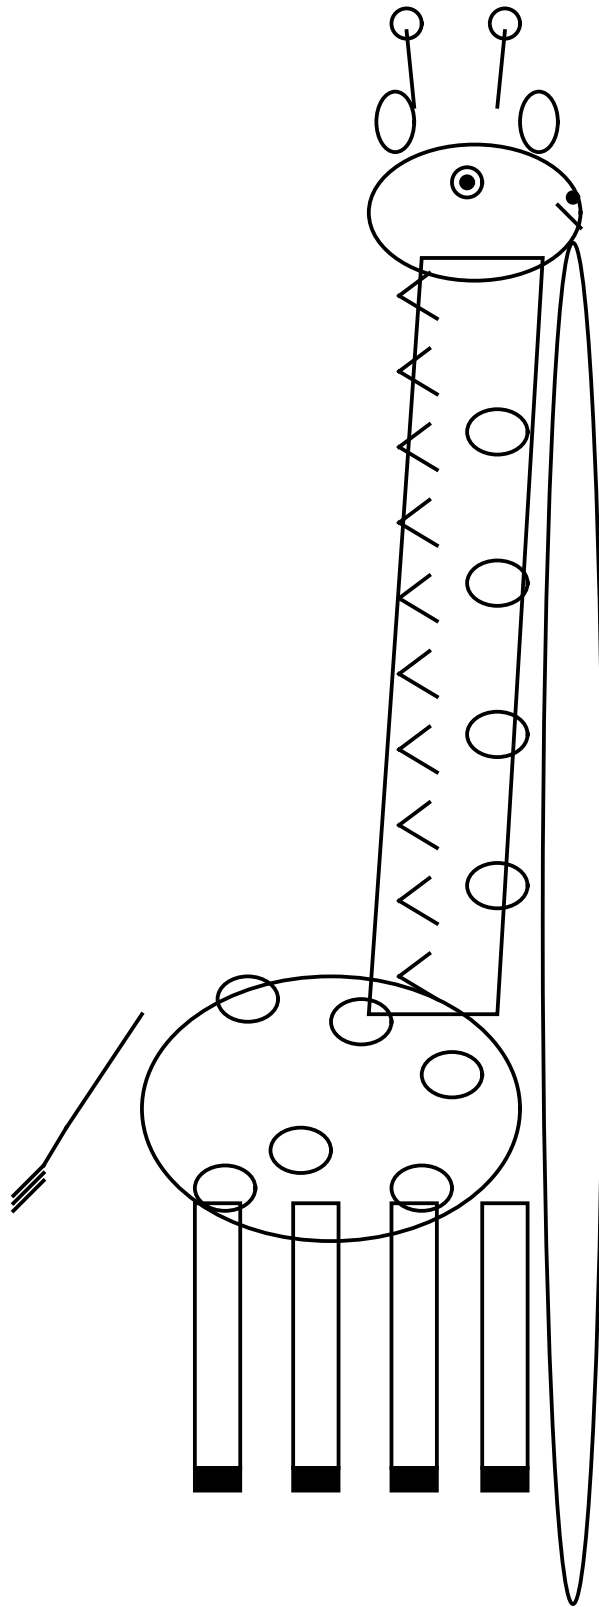

ELEPHANT

Fun fact: Elephants are the largest land animals and can drink water with their trunks.

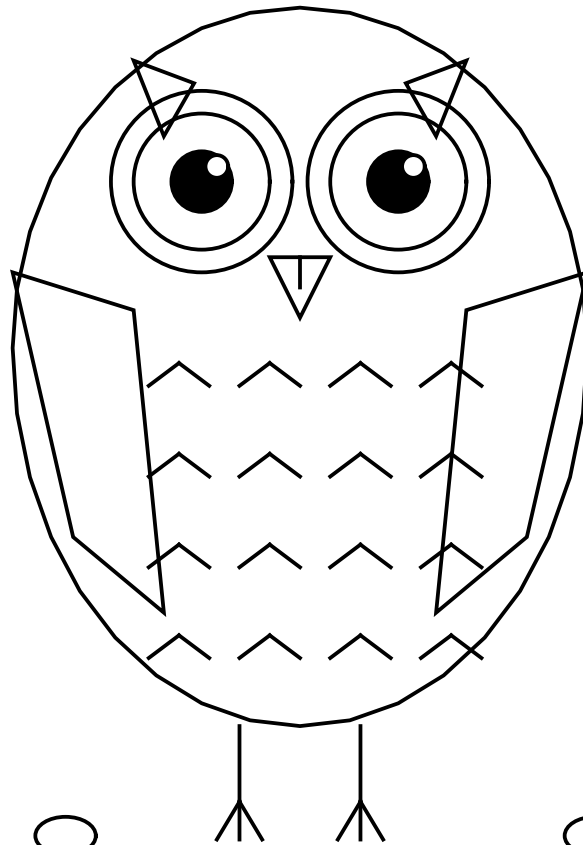

GIRAFFE

Fun fact: Giraffes are the tallest animals on Earth - their tongue is purple-blue!

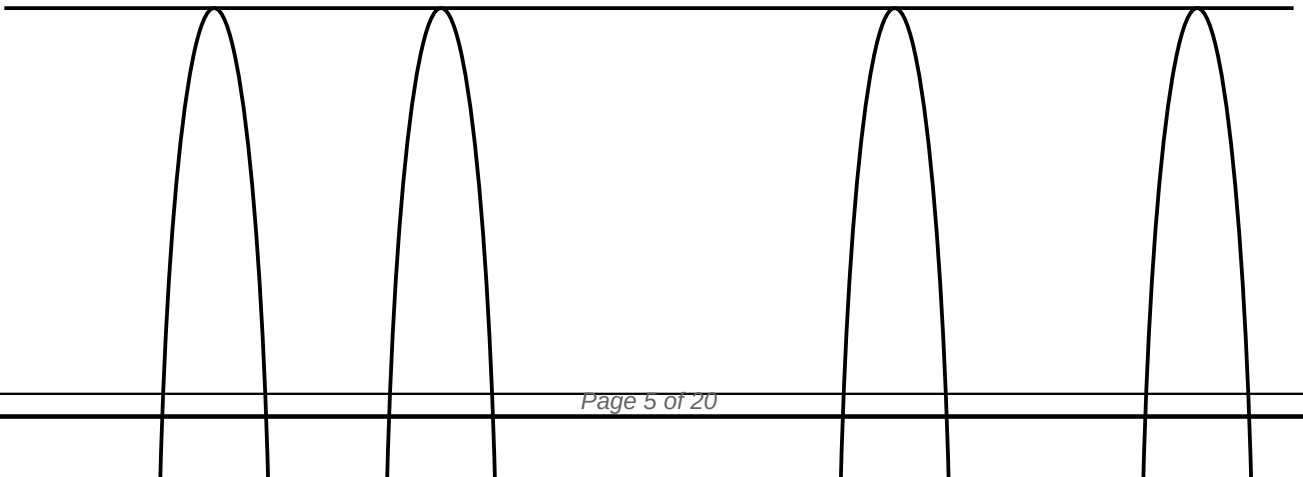

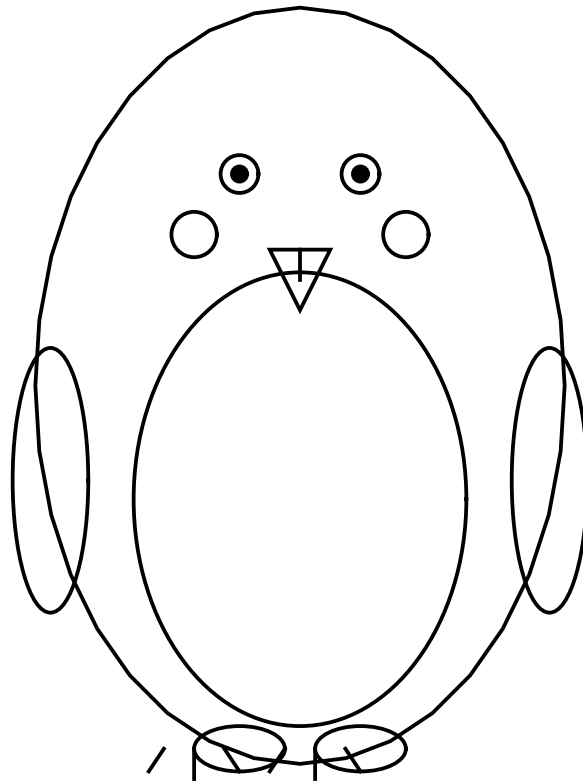

OWL

Fun fact: Owls can turn their heads almost all the way around to look behind them!

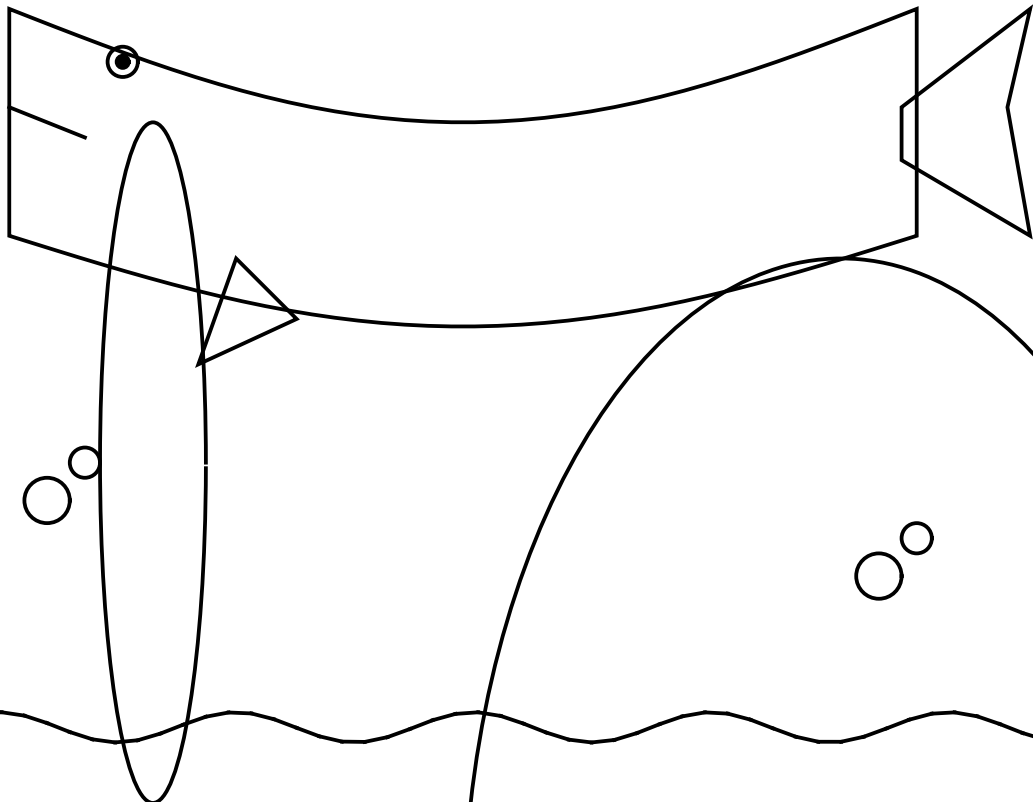

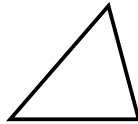

PENGUIN

Fun fact: Penguins cannot fly, but they are amazing swimmers in the cold ocean.

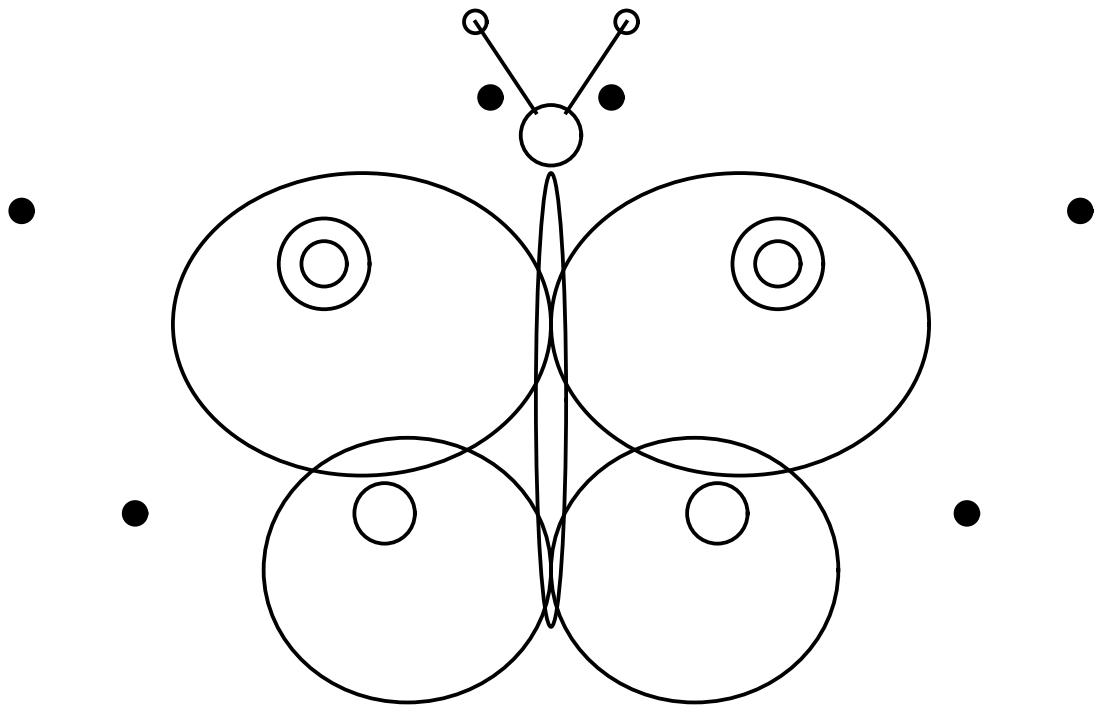

DOLPHIN

Fun fact: Dolphins are super smart and love to play and jump out of the water!

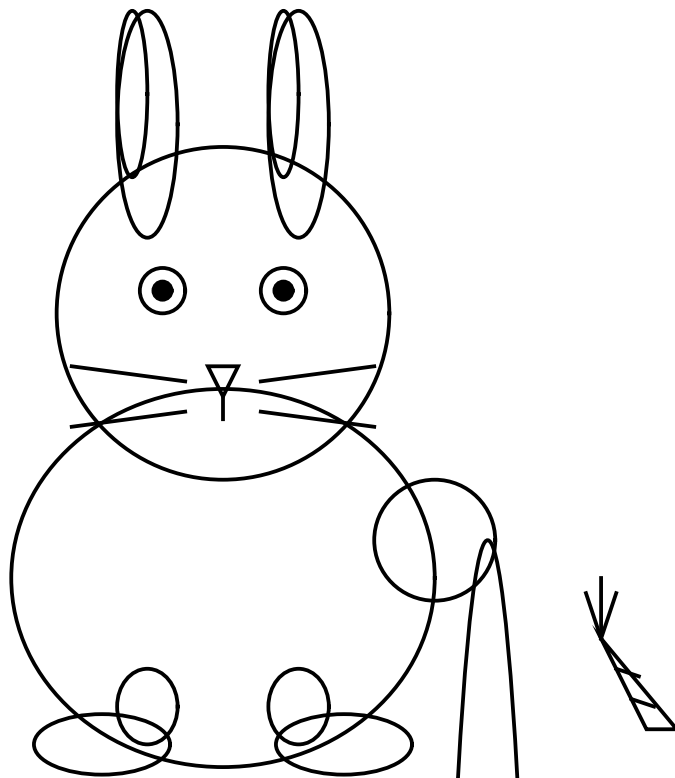

BUTTERFLY

Fun fact: Butterflies taste with their feet and start life as crawling caterpillars.

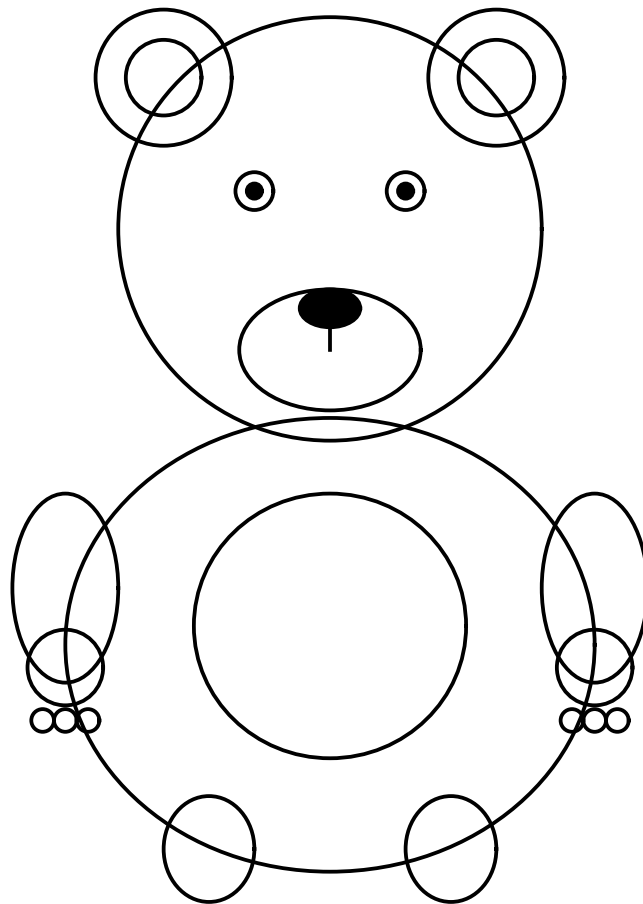

RABBIT

Fun fact: Rabbits hop with their strong back legs and can jump 3 feet in the air!

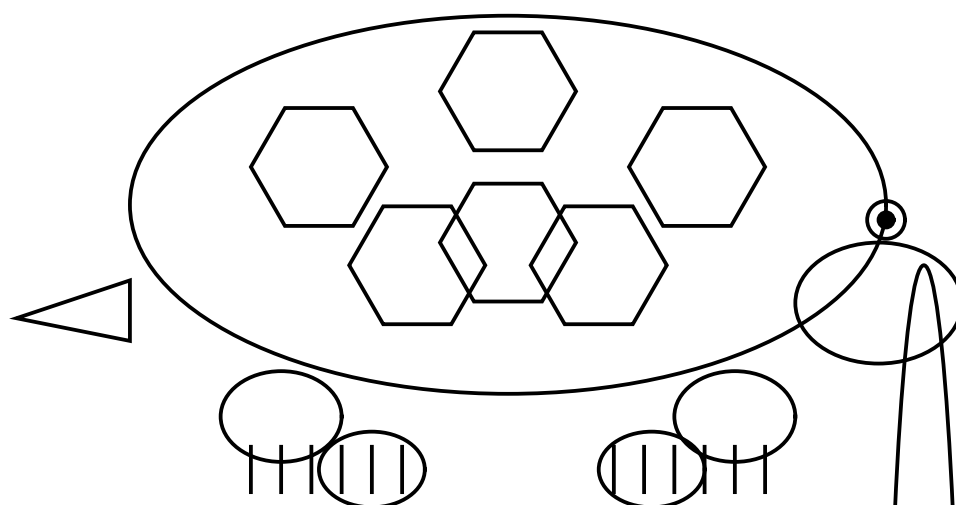

BEAR

Fun fact: Bears can stand on two legs and love to eat honey and berries.

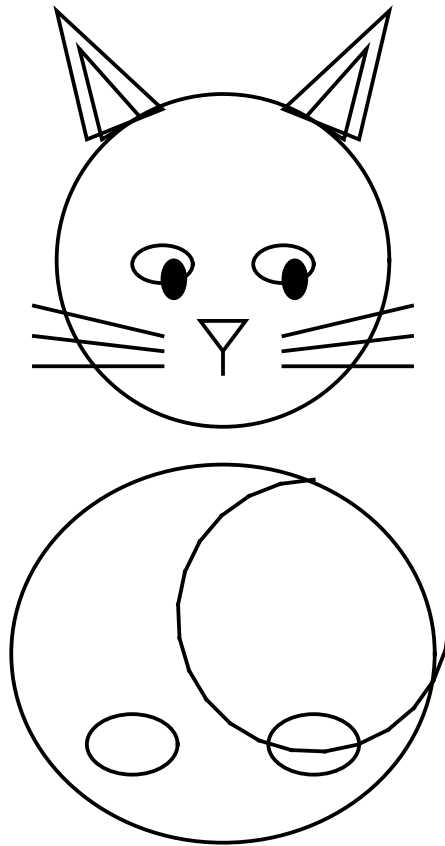

TURTLE

Fun fact: Turtles carry their homes on their backs and can live over 100 years!

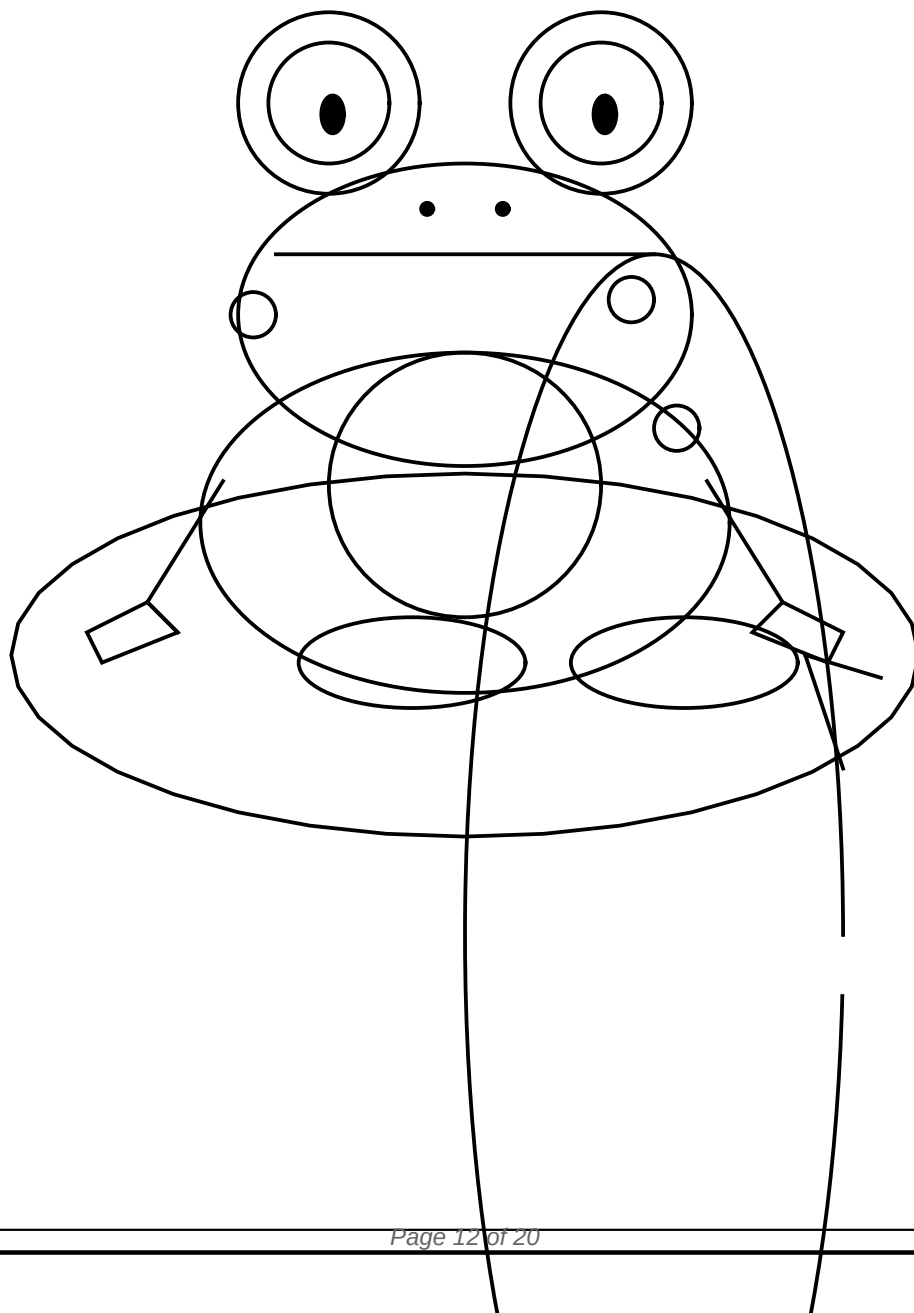

CAT

Fun fact: Cats sleep up to 16 hours a day and can purr when they are happy.

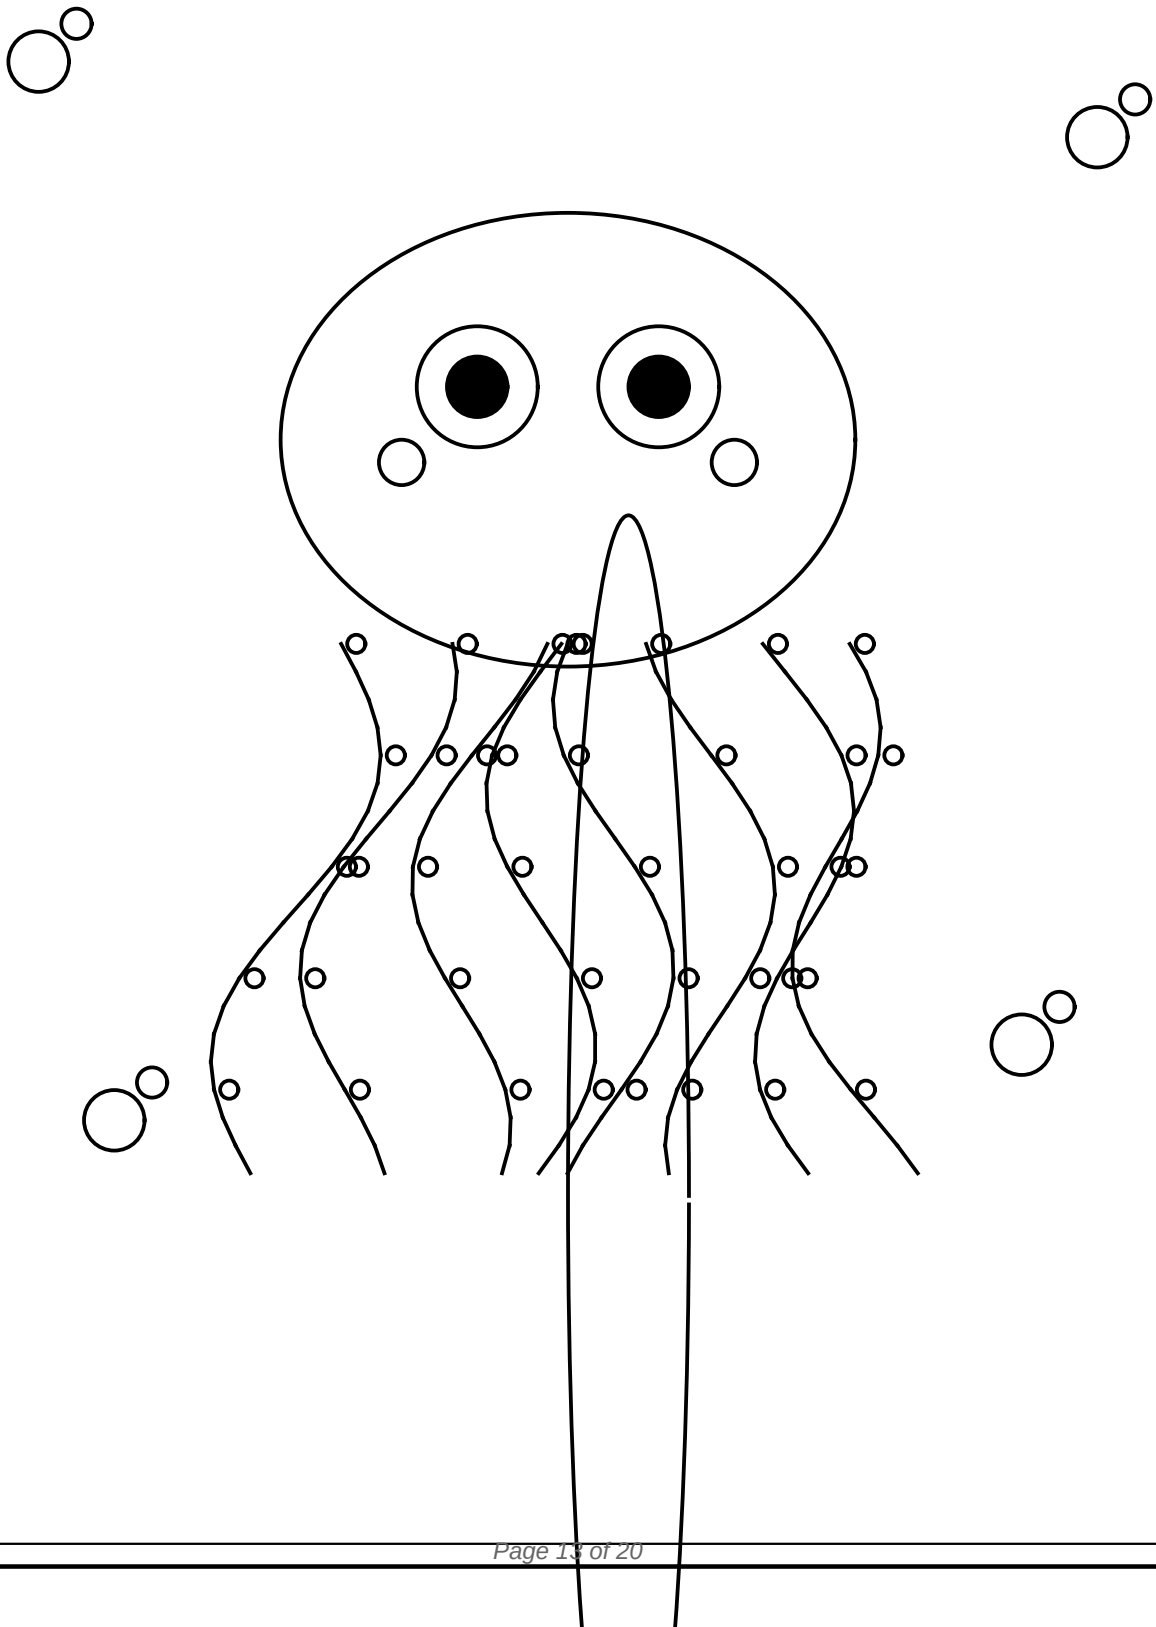

FROG

Fun fact: Frogs catch flies with their long sticky tongues - super fast!

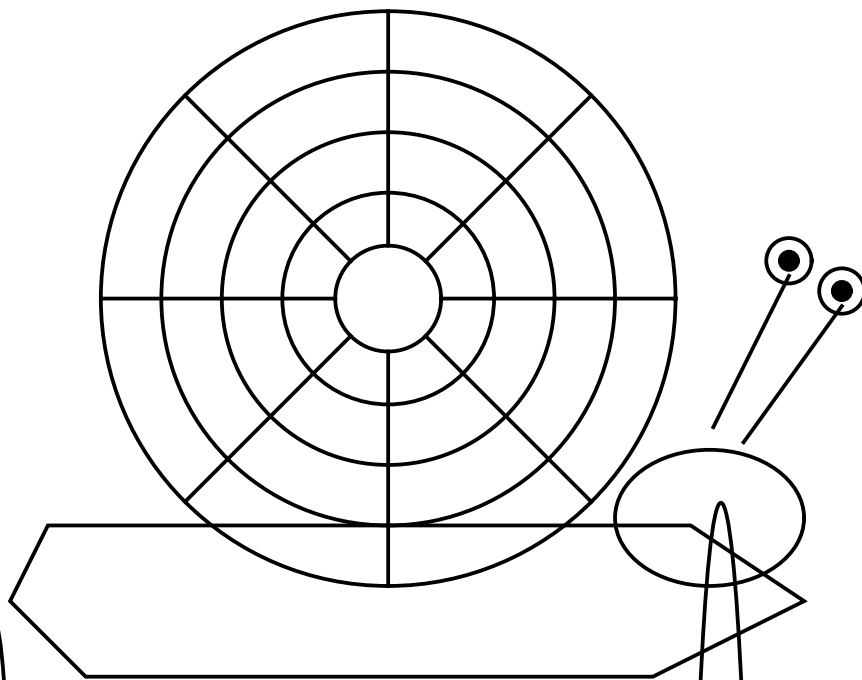

OCTOPUS

Fun fact: Octopuses have 8 arms, 3 hearts, and can change color to hide!

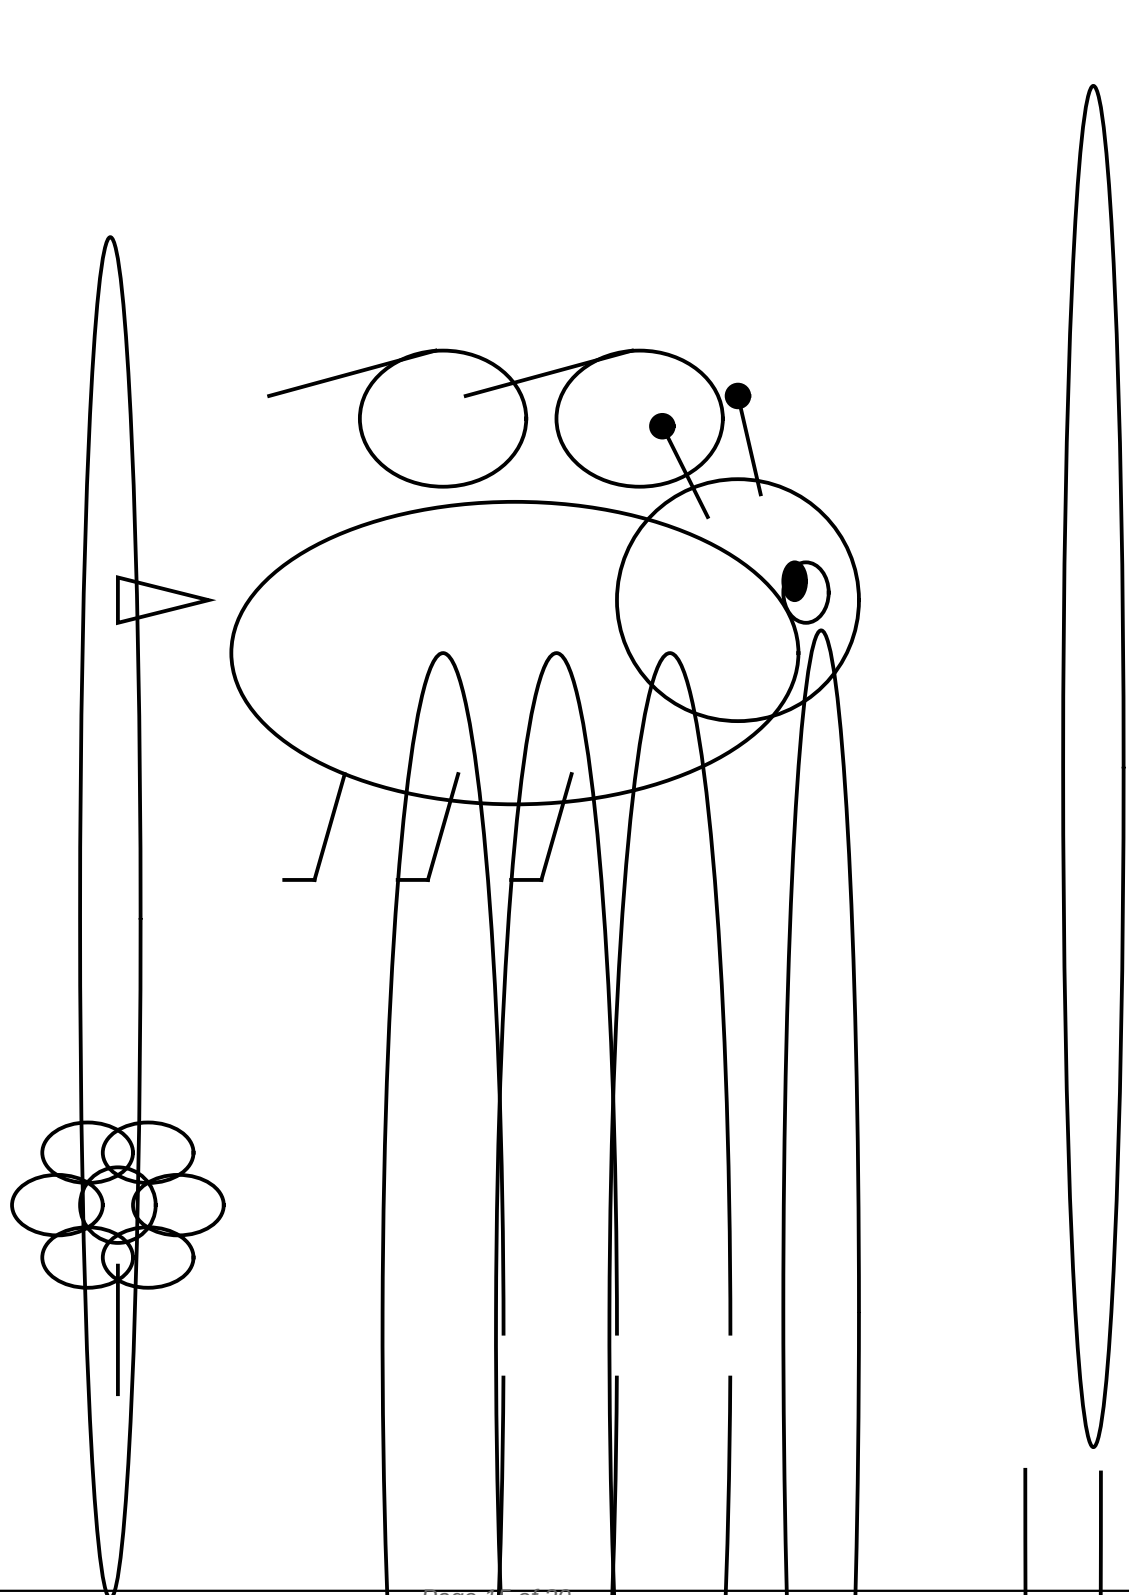

SNAIL

Fun fact: Snails carry their shells on their backs and leave a slimy trail.

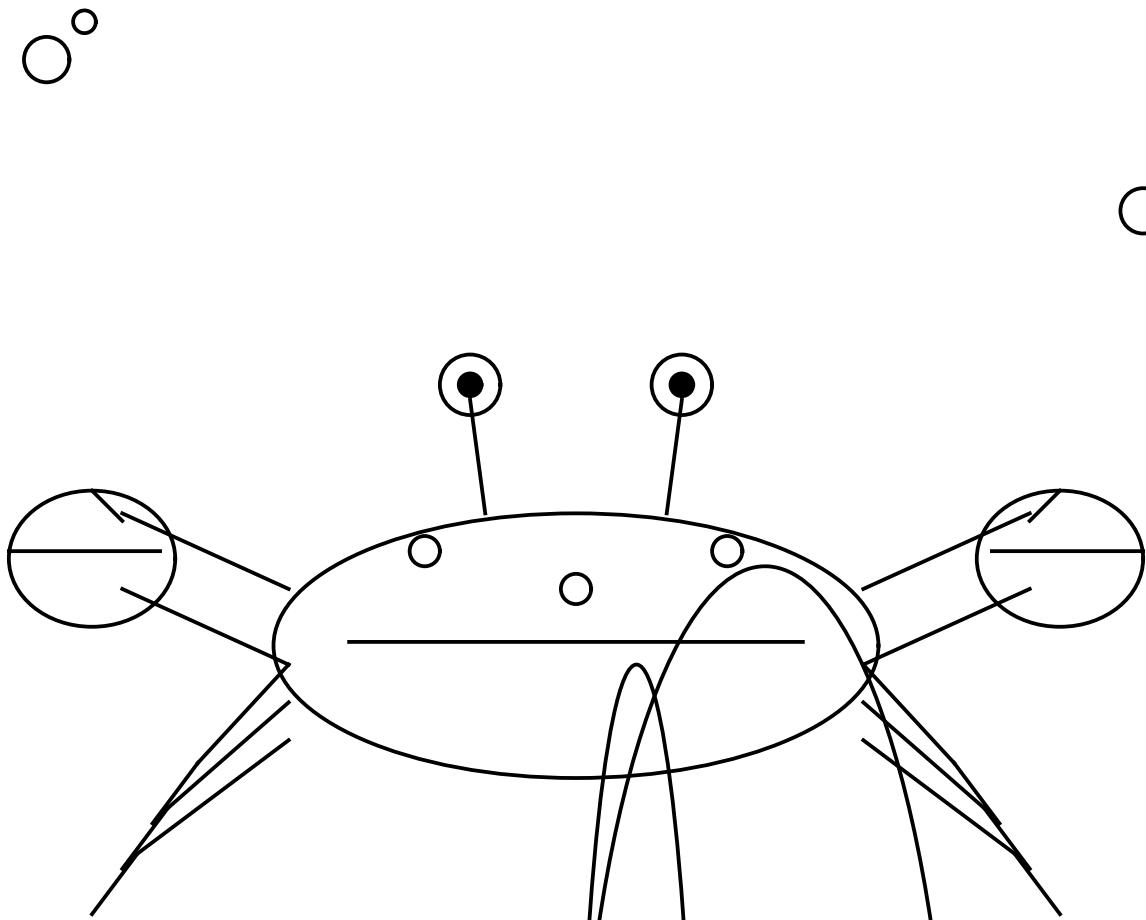

BEE

Fun fact: Bees make yummy honey and dance to tell other bees where flowers are!

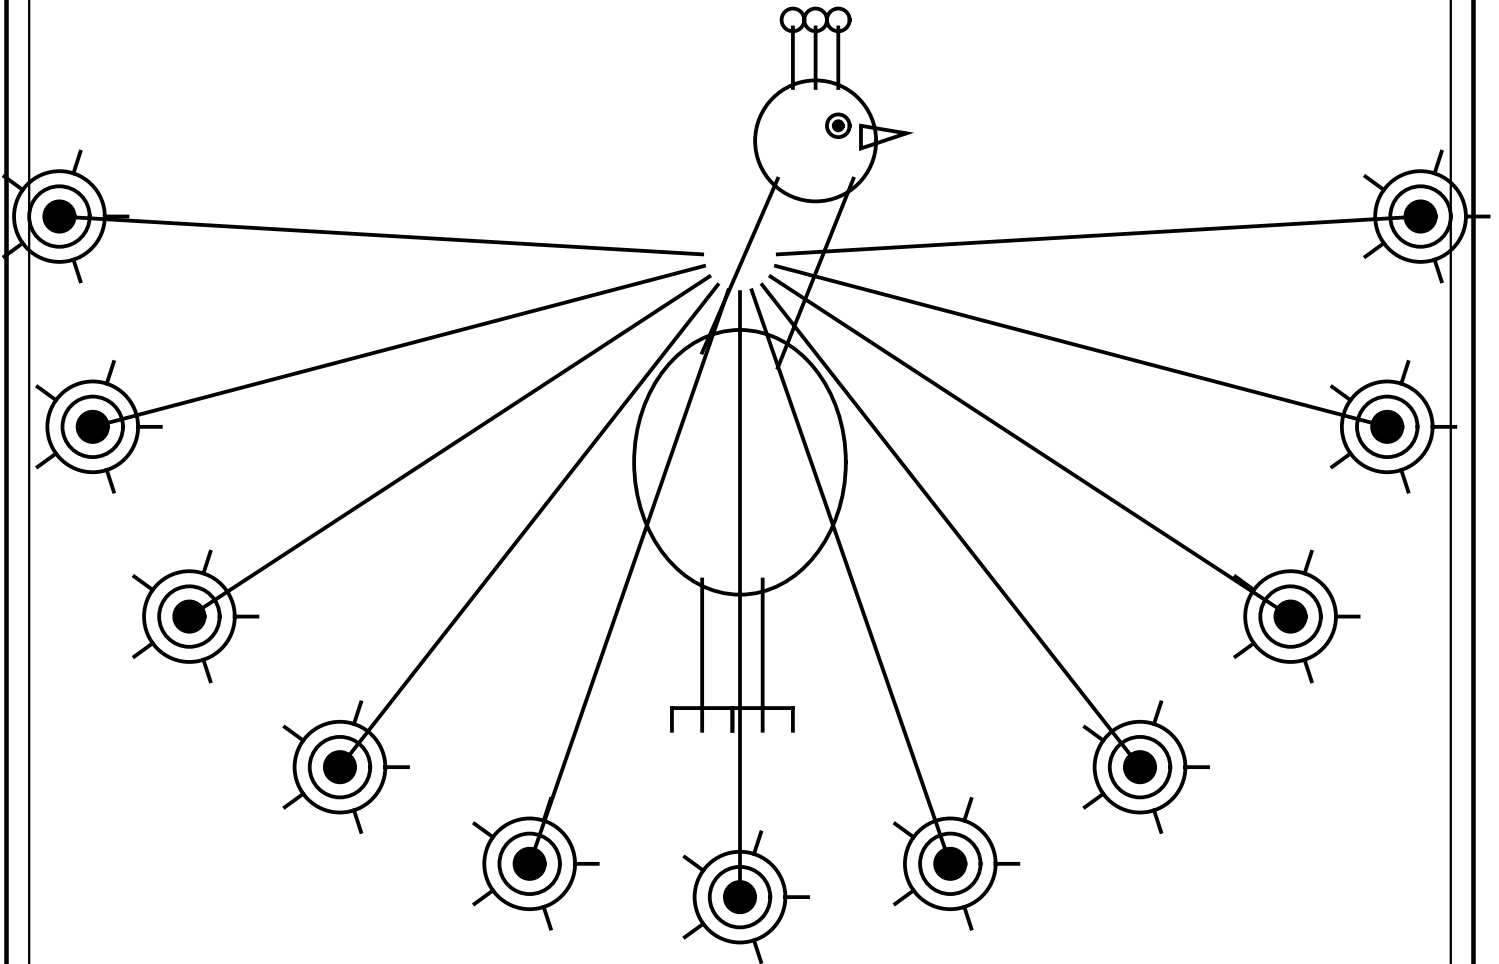

CRAB

Fun fact: Crabs walk sideways and use their big claws to grab food.

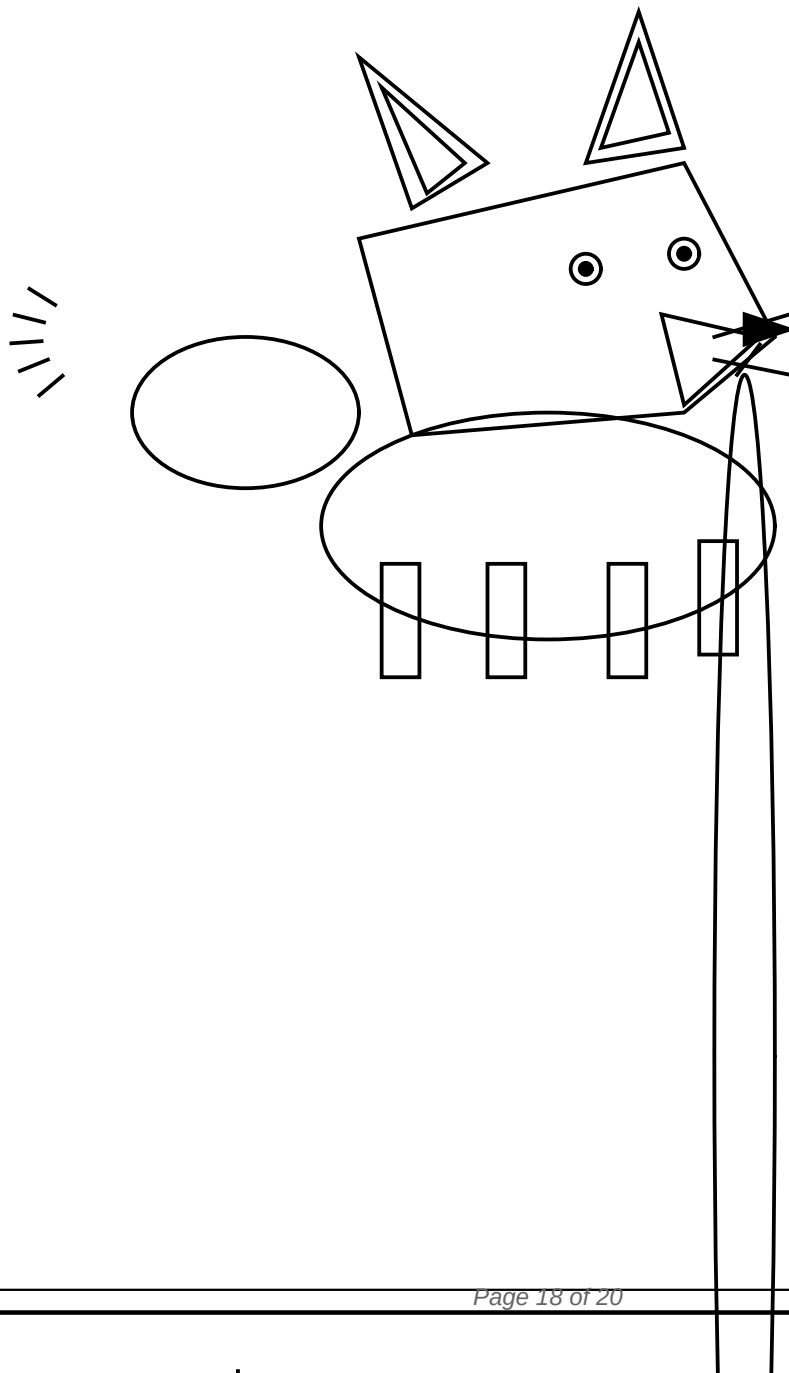

PEACOCK

Fun fact: Peacocks show off their beautiful tail feathers like a giant fan!

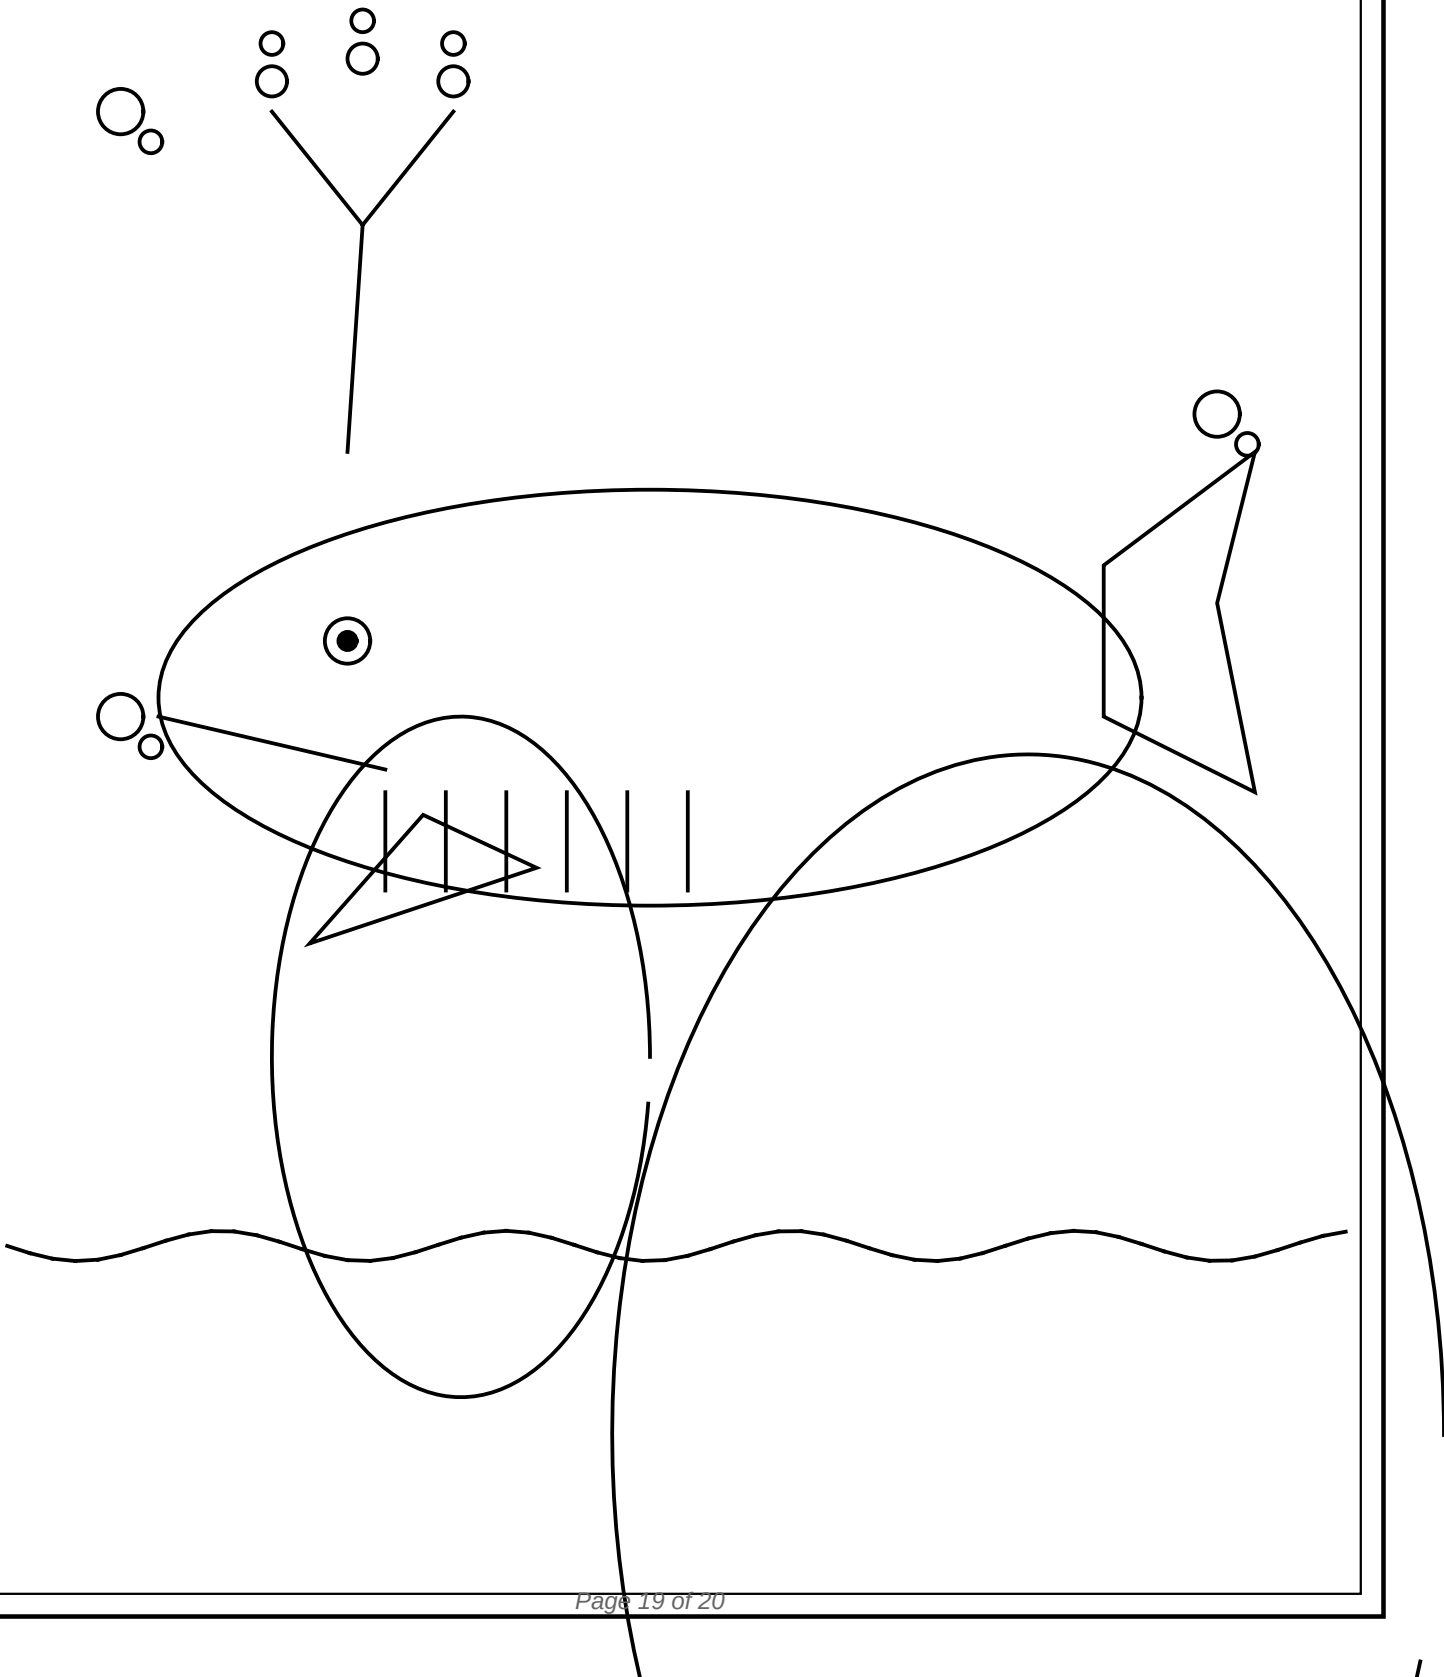

FOX

Fun fact: Foxes are clever and have a big bushy tail to keep warm in winter.

WHALE

Fun fact: Whales are the biggest animals in the ocean and sing songs underwater!

LADYBUG

Fun fact: Ladybugs are tiny but very helpful - they eat bugs that hurt plants!
